NAVY MEDICINE OPERATIONAL TRAINING CENTER

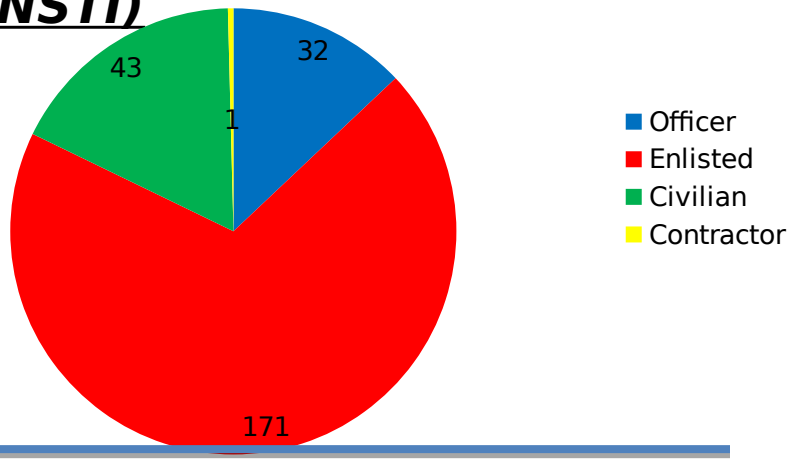
NMOTC CUSTOMERS

Naval Survival Training Institute (NSTI)

Personnel: 247



Purpose: To assist the joint warfighter in winning the fight by providing safe, effective, and relevant human performance and survival training.

Locations

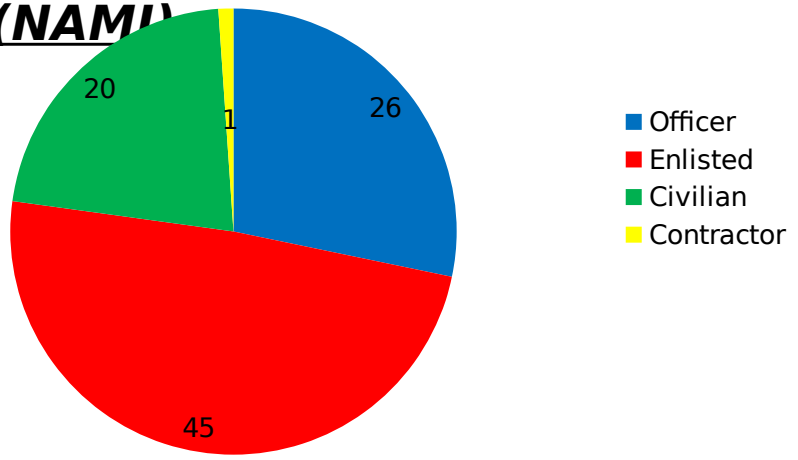
1. Patuxent River, MD
2. Norfolk, VA
3. Cherry Point, NC
4. Jacksonville, FL
5. Pensacola, FL (HQ)
6. Miramar, CA
7. Lemoore, CA
8. Whidbey Island, WA

Courses of Instruction

1. Aircrew Refresher
2. Aircrew Initial NASTP Training
3. Non-aircrew NASTP Training
4. Non Aircraft Specific Training
5. Aerospace Physiology Technician Course (NEC 8409)
6. Naval Aviation Water Survival Instructor (NAWSTI- NEC 950)
7. Aerospace Physiologist Internship Program
8. 8409 Internship Program

Personnel: 92

Naval Aerospace Medicine Institute (NAMI)



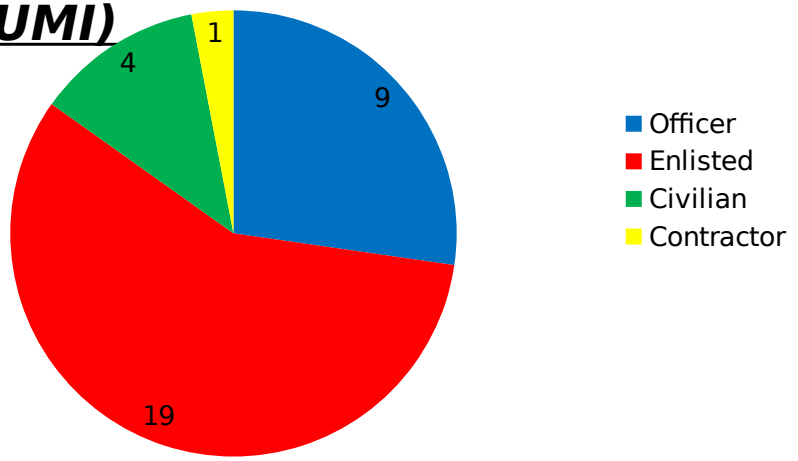
<u>Purpose</u>: To support Navy and Marine Corps aviation units through expert aeromedical consultation, services development , application of aeromedical standards, and training of aeromedical personnel for operational assignments.

Courses of Instruction

1. **Aerospace Medicine Flight Surgeon**
2. **Aerospace Physiologist**
3. **Aerospace Experimental Psychologist**
4. **Aerospace Optometrist**
5. **Aerospace Medicine Technician (NEC 8406)**
6. **Aerospace Medicine Residency**
7. **Flight Surgeon Refresher Training**
8. **Naval Aviation Medical Examiner**

Naval Undersea Medical Institute (NUMI)

Personnel: 33



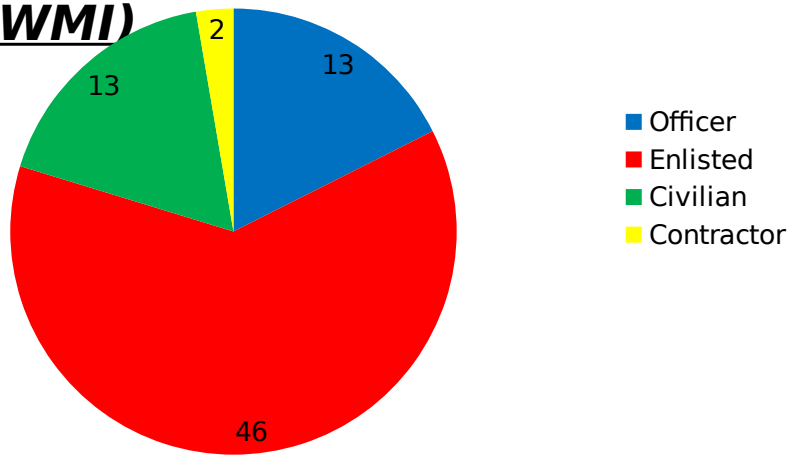
Purpose: **Provides training and consultation support in Undersea Medicine and Radiation Health.**

Courses of Instruction

1. **Undersea Medical Officer**
2. **Radiation Health Officer**
3. **Submarine Force IDC/HM-8402**
4. **Radiation Health Indoc Course**
5. **Radiation Health Tech/HM-8407**
6. **IDC Refresher Training**
7. **IDC Common Curricula HM-8425**

Personnel: 74

Surface Warfare Medical Institute (SWMI)



<u>Purpose</u>: Provides global medical support, training and consultation for Surface Forces on all issues regarding afloat operations. Coordinates and performs operational readiness training, LCAC Medical Screening, reference publications, course execution and curriculum revision.

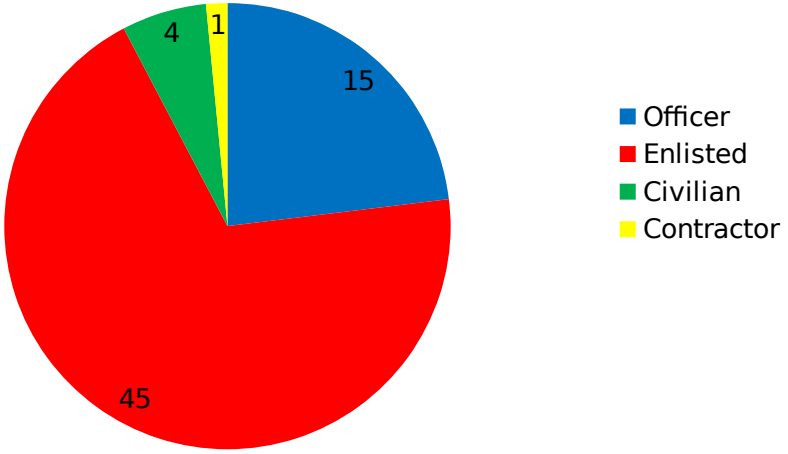
<u>Courses of Instruction</u>

1. **Surface & Dive IDC/HM 8425/8494**
2. **Surface Warfare Medical Indoctrination and Refresher**
3. **Command Amphibious Task Force/Expeditionary Strike Group (CATF/ESG) Surgeon Course**
4. **Surface Warfare Medical Officer Indoctrination Course (SWMOIC)**
5. **Surface Warfare Medical Department Officer Indoctrination**
6. **Medical Regulating**
7. **Operational Medicine Symposia**
8. **Humanitarian Civic Assistance Symposium**
9. **Health Services Augmentation Program**
10. **Advanced Dental Assistant Program**
11. **Navy Drug and Alcohol Counselor School**
12. **Physician Assistant Phase II Program**

NAVY MEDICINE OPERATIONAL TRAINING CENTER

Naval Expeditionary Medical Training Institute (NEMTI)

Personnel: 65



Purpose: Provides instruction on the assembly, disassembly, establishment of command structure, basic operations, medical operations and Collective Protection Systems of an Expeditionary Medical Facility. Also provides instruction for deploying medical forces to Role II & III operations. Provides stabilization trauma care experience at the Navy Trauma Training Center located at Los Angeles County USC Medical

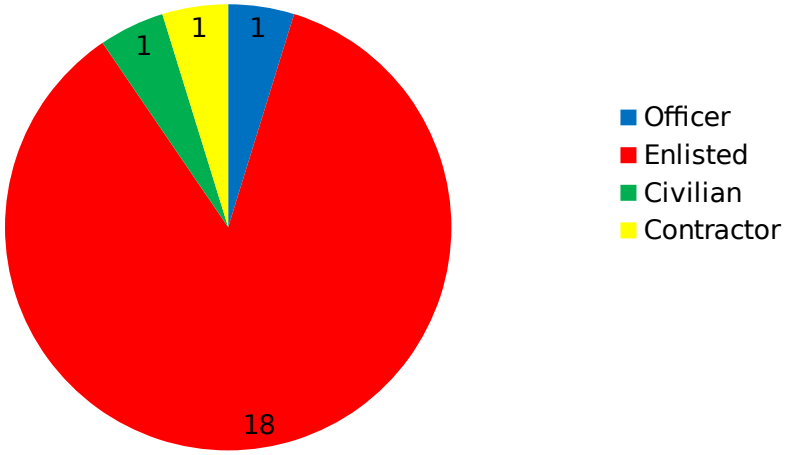
Courses of Instruction

1. **Expeditionary Medical Facility /COLPRO Training**
2. **Expeditionary Medical Unit Training**
3. **Tactical Combat Casualty Care (Provider & Train the Trainer)**
4. **Naval Trauma Training Center (LAC+USC)**

Naval Special Operations Medical Institute (NSOMI)

Personnel: 22

Total Staff: 813



Purpose: Conduct combat medical training for Special Operations Forces to include Recon Corpsman, SEAL and Surface Warfare Combatant-Craft Crewman (SWCC) Medics under U.S. Special Operations Command (USSOCOM).

Courses of Instruction

1. **Special Operations Combat Medic/HM-8427/5392**
2. **Special Operations Independent Duty Corpsman/HM-8403**
3. **Special Operations Combat Medical Skills Sustainment Course.**

R.P. Mitchell Center for Repatriated Prisoner of War (RPOW) Studies

Purpose: **The Mitchell Center provides annual clinical evaluations and conducts follow up studies of RPWs from Vietnam, Desert Storm and OIF, in order to evaluate the mental and physical effects of captivity and as well delineate the predictors of repatriate resilience.**

Info:

1. **Performs more than 250 RPOW evaluations each year for members of all services as well as the State Department.**
2. **Functions as the only longitudinal study of RPOWs.**
3. **SECNAV directed the creation of the Mitchell Foundation, a private 501C3 corporation, to help support the Center's research efforts.**
